

DISCOVER THE MAGIC

Get married on an island and celebrate your special day in the ultimate unique location. The Mackerel Islands are situated off the mid-coast of Western Australia, 22km from the mainland of Onslow in the spectacular Pilbara region. The destination is easy to get to via a 2-hour flight from Perth, or a 3 to 4-hour drive from Exmouth and Karratha.

You'll find a romantic, adventurous experience here with two islands to choose from – Thevenard or Direction – and a selection of beaches and bays. You can even hold your ceremony on the jetty or airstrip for something a little unconventional.

Our restaurant, the Flying Fish Bar, caters for small to medium events, to help create your perfect day. Hold your reception in the main poolside alfresco undercover area, or outdoors and under the stars in the beach sand with the sound of the ocean waves as your backdrop. Function setups can be designed as stand-up cocktail, or sit-down banquet with long tables, square, u-shape or cabaret style. For a more intimate reception, charter our boat Island Escape, and cruise along the bays fringing the island at sunset while you enjoy canapes.

HOW TO GET HERE

Arrive by our ferry service, take your own boat across, or book a local scenic flight and land on Thevenard Island. We have secure parking on the mainland in Onslow.

ACCOMMODATION & FACILITIES

Thevenard Island – Stay in a choice of beachfront cabins overlooking the bay with stunning ocean views, or budget single and double rooms, for up to 80 guests. Facilities include a general store, swimming pool, activity hire centre, gym, guest laundry, BBQs, airstrip, boat moorings and boat fuel facilities. The island is powered by a solar and desalination plant.

Direction Island – Rent your own island with a sole beach shack for up to 8 of your family and friends. You'll have the entire untouched island to yourself to explore. The rustic shack is solar powered with a generator backup and freshwater supply.

ACTIVITIES

Nestled among coral reefs and visited by sea turtles, dolphins, whales, colourful fish and stingrays, you can experience true relaxation or be as active as you like, surrounded by sand, water and nature. Go fishing, snorkelling, kayaking, SUP boarding, beachcombing, reef walking and stargazing, or enjoy lazy days in your hammock, soaking up the tranquillity.
