

EXCLUSIVE: 3 NIGHT ISLAND ESCAPE TO EXPERIENCE THE ONCE-IN-A-LIFETIME TOTAL SOLAR ECLIPSE

On 20th April 2023, a rare hybrid solar eclipse will occur. Only able to be seen in a handful of places in the world, Thevenard Island in Western Australia will be one without the crowds! Located just 45 minutes by boat from Onslow (north of Exmouth/Ningaloo), this is your chance to be under the path of totality and experience a phenomenal event as it tracks over the North West cape.

WHAT'S INCLUDED

- 3 night's accommodation in a beachfront cabin
- All meals, including a long table dinner on the beach
- Selected drinks
- Daily activities and tours, non-motorised equipment
- Return boat transfers from Onslow
- 4WD bus transfer to the island's West End on the Eclipse Day

ABOUT THIS HOLIDAY PACKAGE

This package will give you a rare opportunity to see and experience a total solar eclipse without the crowds, from a secluded beach on a small, unique island. The West End of Thevenard Island falls within the path of totality for approximately 16 seconds. You'll get to stay in a beachfront cabin and live a slice of island life for 3 nights, with snorkelling, kayaking, paddle boarding, beach fishing, sunset cruises, stargazing and other activities included! The island is a gazetted nature reserve, brimming with birdlife, turtles, dolphins, rays, colourful tropical fish and more. With a front row seat to view the Eclipse, you'll be one of a lucky few who get to witness this once-in-a-lifetime event of the sun, moon and earth aligning, feel the sudden rush of darkness into totality, and the full awe of nature.
