

7 Nights : Island Immersion

Day 1: Arrival

Depart Onslow at 1.30pm and arrive to Thevenard Island after a 45-minute boat transfer from Onslow. The friendly island team will greet you upon arrival and show you to your self-contained cabin with stunning ocean views.

After settling into your cosy beachfront cabin, join us for Dinner Under the Stars to mingle with the other guests over a tasty meal. Use this opportunity to let us know what your island interests are and what tours you would like to participate in!

Days 2, 3 & 4: Explore & Experience

Explore our slice of barefoot paradise with magnificent snorkel sites, an abundance of wildlife and world-class fishing. Choose from a range of experience-based guided activities, including our back beach bus trip, 4WD sunset bus tour and low tide reef walk, which are all included in your stay! Our guided tour of the day will be scheduled by our resident guides around guest interests, weather and our nature calendar.

Our self-guided nature-based activities are another great way to see the best of the island. There is spectacular snorkelling with breathtaking reef systems right outside our beachfront cabins.

Don't forget about the land-based wildlife too - there are incredible nature trails around the island, fantastic beachcombing and over 55 species of birds to be seen. The birdwatching is phenomenal!

Once you've explored the island and seen its outstanding array of flora, fauna, and scenery, there is still time for some of the best fishing in the West. Whether you want to hire a Plaka boat (requires recreational skipper's ticket) or simply fish from the beach, there is plenty to catch! From Spanish Mackerel to Red Emperor, to Giant Trevally and Mangrove Jacks, there is a catch for all levels of fishing.

**Please see our Nature Calendar for further information on the best times to see different wildlife.*

**Please note that all activities are subject to weather and tide conditions.*

Day 5, 6 & 7: Relax & Reconnect

Experience the magic of island life, with the best of nature at your doorstep, as you settle into island time. Enjoy the slow pace of island life and make the most of this time to relax and reconnect. With stunning views, breathtaking sunsets and sunrises, this is the perfect setting to unwind and rejuvenate.

Hire a kayak, stand-up paddle board, or a snorkel set from our friendly island team, and enjoy the sunny days and pristine waters. Or if you prefer to continue relaxing, grab a book and soak up the serenity from our beachfront hammocks.

Join the island team, and your new island friends for your final Dinner Under the Stars and share some great stories from your stay.

After creating many special memories, it is time to pack up, say your goodbyes and return to Onslow at 10.00am. The trip back is another great opportunity to look out for dolphins, turtles, and whales, and enjoy your last few moments of island life.
